**Subject:** Clarke County Virginia Financial Report for 2018

To Whom it May Concern,

Clarke County Virginia will be unable to submit its Annual Financial Report and requisite forms by the December 1 deadline. Our auditors have completed their work, but discovered a discrepancy in the bank reconciliation that must be corrected before their final report. We have employed a firm to assist the County, and will deliver the report to you as soon as we can.

Thomas J. Judge, Director of Joint Administrative Services, Clarke County, 540-955-6172
